

# BRACKET RACKET

APRIL 2008

## EVERYONE HAD FUN AT HEALTH FAIRS

The Annual Edwardsville-Glen Carbon School District Health Fairs were held in March and April. We always enjoy participating in the Health Fairs.

### STAFF SPOTLIGHT Mary Ahlers

Mary is a life long resident of Edwardsville. She has a high school age daughter Emily and a miniature Chihuahua, Mia. Mary has been with the office for a very long time, 27 years. She is a Certified Dental Assistant, Graduating from Lewis and Clark College. In her spare time, Mary likes to cook and dance and spend time with family and friends.

### HYGIENIST CORNER:

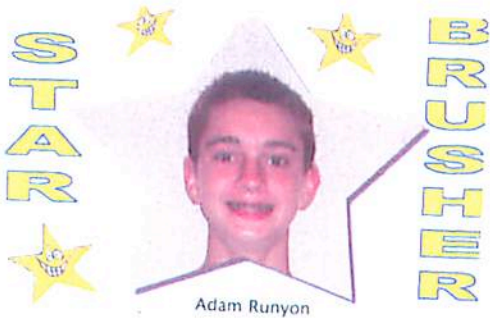

Your dentist is really right - you should floss every day, and not just for your dental health. There is a direct link between the inflammation caused by gum disease and heart disease. The healthier the mouth, the less risk to your heart.

YOU BE THE JUDGE!!!  
American Idol contest is in full swing. Winners are drawn weekly. Visit our website (bauerortho.com) and click on the "contest"

link to join in on the fun!!

**Our Star brusher is...**

Congrats to Adam, he won a \$10 Gift Card. Keep up the good work!!!!!!!!!!
